No minimum quantities are required to qualify for savings for DDL Grant recipients only!

Xserves must have AppleCare Premium Service and Support in order to qualify for the savings.

All purchase orders must be made out to Apple Computer Inc. and submitted to the Statewide AV Co-op for processing.

Orders made out to the Department of Education will not be processed!

Orders must be received by the AV Co-Co-op no later than close of business April 30, 2004

This pricing is only good until April 30, 2004. Purchase orders received after that date will be charged standard education pricing.

All items subject to availability and production line changes. Such changes may result in pricing changes at any time.

**All savings require Exception Number 112619163 clearly shown on purchase order to prevent processing delays.**
